Tribute Wall

“ There truly are no words to express my sadness with the loss of Paul. He was one of a kind with a heart of gold. He loved life and adventure and always wanted to be with those that he loved. I've known Paul for 23 years and the world was definitely a brighter place with him in it. After I heard the news about Paul the song "Fly to the Angels" by Slaughter came on and I know that was meant for Paul. It will forever be my song for him. My heart is truly broken for all those that knew and loved Paul. His soul is forever at peace now and he his surrounded by those that he deeply missed, his beautiful mother Betty, his sweet and silly father Jack and his precious and amazingly cool kitty cat Bubba! You will forever be missed and in my heart Paul! Love, Michele

“*Paul and I have bin friends since we were kids. Racing around town on our BMX bikes, cruising downtown on the weekends and talking about his LOVE for motorcycles. From the time we met this wonderful guy never stopped smiling. Even when I bumped into him just a week ago he smiled as I gave him a hug and asked him how things were going he spoke of what he was going thru. If I'd only known he was hurting so deeply behind that big smile :(We will miss you Paul.*

“*We grew up in the same neighborhood. I called him Pauly. As we got older I would run into to him from time to time and still called him Pauly. His face would turn beat red then he would laugh. It was clear he was no longer a kid. He had a great smile. I am sending prayers to Mike and Fred. The Wescott's are good people. RIP Pauly.*

“ Paul was a nice guy and a great friend to everyone. I remember years ago, he was going to sell his Rivera and he knew that my brother really wanted it. Anybody who knew Paul knows how well he took care and pride in his cars...He passed on other offers until my brother had the money to buy it. It was my brothers first car. Paul will be missed dearly..My thoughts and prayers are with his family. RIP Paul.
