“ We used to have Taco Tuesdays at the shop, Braun. He poured this Hot Sauce on my Taco after insisting how good it was and that it wasn't very hot. Paul got me good that night. After hiring into Chrysler, I contacted Paul and Beth for advice. I'm really sorry I lost touch with Paul over the last few years. He was always helpful. My condolences to the Family. Paul will be truly missed.

“ *Dave was like a second dad to me. My favorite memory of him was when Travis and I came up for a weekend and we all went out shopping and walking around in the city. We went to a place that sold nice antiques and had a petting zoo with cute animals. After, we went downtown and walked around the outdoor tents and shops. We all had so much fun and it was such a beautiful day. He was always so funny and such a bright spirit sitting at the table watching TV with him. I will miss him greatly, and I hope that he his having a good time on some beach somewhere :)*

“ *Every time I would spend the night at Travis's his dad was always so kind to me, he was the kinda man that would offer the shirt off his back to someone. I always felt so much love from him and the rest of his family when I would go over to their house. It quickly became a second home and safe space for me. I am so very glad I got to meet him.*
