“ Many people say I look like you, and to that I say thank you. If I am half the awesome human being you were, I'd be lucky. You were kind , and funny, and stern the perfect making of a great aunt. You called me JillButt every time you saw me no matter how much I protested, and as I grew up I grew to accept that . Even when you were teaching my kids to be silly or sassy, or how to say bad words ( you'll be happy to know Eme said the phrase you taught her just ince 😊 ) I love you Aunt Paula
