“ I am so saddened to hear about Pauline. We had requested some years ago that we always be seated in her section in Bogeys because we loved her. She knew what we wanted to drink without even asking, and was the best waitress ever! She was always upbeat, and made us smile and laugh every time we saw her. I am going to miss Pauline immensely.

“ So sorry to hear of Pauline’s passing my heart breaks for her friends and family. Our family loves to go to Bogeys for dinner. We were lucky enough to have Pauline as our server many many times over the years. She was always sassy and fun. You could tell she had a big heart too. She would often comment on how much our daughter had grown, ask her about school and even ask us about her when Phoebe was not with us. That doesn’t happen very often these days.
