Bob and Family: Am so very sorry to learn about Penny. I have so many happy memories when we were kids -- always so anxious to visit each other. Her smile was contagious -- what a warm and caring person she was. My sympathy to all of the Hammar family and Norma and Bonnie, too.

“ Penny was one of the best friends you could ask for. She was always there to lend a hand. We had many great memories together, good and bad that's what true friends are all about. We traveled many miles together. Penny put up a fight to the end, now she is at peace with her maker. My heart goes out to the family because it's always hard to lose a loved one and a life time mate.

“ You fought a long hard fight, and we're all thankful to have you for as long as we did. We pray that you are in the comfort of god's hands now & suffering no more. You will be sadly & greatly missed ! I will remember all our days sunning in the yard, canoeing on Rose Lake & many other fun times ! Most of all I will always see your smiling face & how your eyes always had that twinkle !

“ *Mom (Penny) was one of the nicest and most generous people that I have ever known. I am a better person because of her and will cherish the memories for a lifetime. There were so many of us 'adopted' kids I dont know how she was able to keep up with our mischief but she did no matter what and there will always be a special place in my heart for her because of that.*
