“ Pete taught me so much. When my dad died when I was 12 Pete and Kim both helped fill the void. He taught me how to check oil (and its importance) fill tires and pump gas. He taught me how to stay in the center lane whilst cruising Gratiot. And when after 20+ yrs of being out of touch, when I was at my lowest he offered me a place to stay when the rest of the family was done with me. But pete seeing someone he cared about suffering he couldn't resist but to lend a hand. Thats how he was. Genuine. The world lost a good man. Ill be forever grateful. RIP Uncle Pete . Give Kim a hug and kiss for me.
