“ *Very sad to hear of Peter's passing. Like many of the others who have posted, Peter and I worked together at the Union Carbide Plant in Mooretown Ontario and played hockey together for many years, He was such a good hockey player, smooth skater and even a better guy to share many fun times together. We had the opportunity to go to the Barbados in the early 80's and we had such a great time touring the island in our rented dune buggy. We shared the same love of music and I still recall many get togethers at our place and at his place in Brigden. Although he moved away, Debbie and I still have many happy memories of our time together. May he rest in peace and I know his family will cherish the many happy times they had with him.*

“ To all of Peter's family...I have great memories of Peter from our youthful days in Brigden, playing hockey in Mooretown, as well as working at the Nova Moore Plant. He was a very kind man with a great sense of humour, and although we have lost contact over the years, I'm thankful for the friendship and memories from those earlier times.

My thoughts and prayers are with the family at this difficult time.
Rest in Peace O.J. 😞

“ *Erie and the Smith Family*
So sorry to learn about Peter's passing. Although I only met Peter a few times I certainly heard a lot about him when your parents lived in Watford and Alymer was the minister at Watford United Church. I had the previledge of being his secretary and they shared many proud moments of him with us. They will be waiting with open arms for him. Sorry we have lost touch Erie but our thoughts and prayers are with you and your family at this sad time. Lots of love, Jim & Wilma Johnson

“ Dear Smith Family and Friends, I am so sorry to learn of Peter's passing. I worked along with him at the Union Carbide Moore Plant for many years. Peter and I shared both a love of playing music and hockey and I will always remember his keyboard playing, smiling face and wicked slap shot. He took the time to look me up at one of my gigs many years after he had left the area - that's the kind of person he was.

Hoping you take some comfort in knowing that he made good friends and leaves many lasting memories for those of us who got to know him.

My thoughts and prayers go out to you at this time.

“ I remember tagging along with Peter and Beth in Brigden. I don't know how he truly felt about having his little cousin hanging about when we visited, but I always felt welcomed. I know I thought he was the coolest teenager in the world. My condolences to the Smith family. I hope your fond memories offer some comfort in the days ahead. ❤️
