*To Peyton's Family,*

*It always takes me a bit to get my thoughts together. I pray yours memories of Peyton give you comfort. I have a lot of fond memories of Peyton and her family. I still have the notes from home about the mishaps of the clan getting ready for school or the care and feeding of a pet pig.*

*But I would have to say that my favorite memory is the early fall day that Peyton rode her adaptive bike at Marysville park. She pedal that bike over 200 feet right into some purple flowers. The class was at the park having a quiet day, mourning the loss of another student. It was amazing and we were screaming and crying.*
