“ For many years I had the privilege of knowing Rachel Ulinski as simply “Ms. Rachel”. I first met her when I was a camper at St. Clement of Rome’s annual Vacation Bible School program. As I got older Ms. Rachel grew from a teacher to a friend of mine. I will always cherish our reunions each year filled with warm hugs and lots of laughter. We bonded over our similar personalities and senses of humor. I enjoyed tormenting her with constant sneaky photos as the resident photographer of VBS (followed by projecting them in the end-of-camp PowerPoint much to her dismay). Even well into my adulthood, Ms. Rachel’s magnetic energy would get me singing and dancing right alongside the kiddos. I was lucky enough to grow up with Ms. Rachel. I loved her many stories and hearing her advice about my future plans. No matter what was going on in your day, Ms. Rachel always knew the right thing to say to put a smile on your face. She was truly one of the brightest lights I have ever known and I will miss her tremendously. Ms. Rachel, you will forever be the only one who can get me to happily ‘Sing & Play’. My thoughts and prayers are with the family and friends of Rachel Uliniski, God truly broke the mold with such an amazing person.

“ Mrs. U, thank you for always putting your love into your students. Sometimes, your class was the only bright spot in some kids days.

You were an absolute treasure and as a parent, I am truly thankful for the time my children spent with you. The legacy you leave behind will be treasured by many for years to come.

Rachel will be missed by so many people. I worked closely with her at St. Clement church she was a catechist for many years. She was our music minister for VBS for the last 15 years. She was the backbone of our program. She was full of life and so vibrant. I can't say enough good things about Rachel. You will truly be missed. 💔🙏😞

My daughter called Mrs. U her second mom. Rachel loved my daughter Ruby and supported her talent and spirit. I will forever be grateful for the confidence, peace, love, and support she gave Ruby. Ruby will forever be impacted for loving and losing Mrs. U. Anyone who knew her was a better person for it. Rest in peace sweet soul.

My condolences to the family on the loss of such a beautiful caring lady. Three of my granddaughters were in the choir and loved her so very much. She was devoted to these kids including helping them cope with their personal problems. She will be forever in our hearts.

I was shocked and saddened to learn of Rachel's passing. I remember her fondly for the time she spent as my student at Macomb College many years ago. She was a talented and committed person, but above all, a great person to be with. She was an inspiration to her fellow students and to me!
