“ You were taken away too soon from us. It still doesn't seem like it's true, I remember when you took me and the kids to all the possible beach there was in port Huron. Our shopping trips at Kohl's, helping you out in the garden or even with auza birthday parties. I miss you.

“ I worked with Rachel and her sister-in-law Sarah at at&t. I knew her brother Trevis years before when we were den leaders for Cub Scouts. I became friends with Sarah when we sat by each other at work. I didn't have a chance to get to know Rachel as well but we did get to have a few conversations and she was always smiling. A big bright smile! My thoughts are with the family.
