“ My dear friend. I called him **UNCLE RAY** and I **BECAME "NEPHEW"** per his name choice. I loved this man who was truly my mentor when I was hired at Chippewa.

I was his first trainee. We became State of Michigan driver test examiners and shared experiences of wild rides and hilarious situations.

Combine that with the great stories of his time as a former City of Detroit Police officer and I soon realized what a treasure he was. He became "**PISS AND MOAN**" per the handle from Terry of the maintenance garage at **CHIPPEWA** bestowed on him. When I found the shirt in photo while in Tarpon Springs Florida the legend grew. Gary Thieman, John Staples and myself created the **PISS AND MOAN** dinner club. Once a month we would meet and enjoy the stories of Ray and his journeys thru life. Another highlight was our many coffee meetings at the local **TIM HORTONS**. He would call and say "**NEPHEW, let's get a coffee**". We would meet and I would hear many times his great fables and stories. He was a great **MAN OF FAITH**. The love of his life was **MARCELLA** -a great kind and loving person who sadly now has **ALZHEIMER'S**. This took a toll on him in his last years of life. Twice, I took him to the shooting range with two of my high school classmates, He impressed them with his shooting skills. We then took him to lunch and he became the storyteller of all time. One remarked, I could listen to his history of the Detroit Police all day.

EVERYONE LOVED UNCLE RAY. I am so happy and very rewarded that **GOD** let my friendship with him come to be. On a personal visit one night, we shared a wonderful conversation with **JESUS** and shared some deep hugs to praise **GOD**. A **DEAR LIFELONG MEMORY**.

He had a great command of English and was one of best writers that I will remember. He is a member of my Fox-Hole Cub. They are the people you can rely on in any situation.

GOD BLESS YOUI know JESUS GREETED YOU WITH A BIG HUG. I truly miss you **DEAR FRIEND**.
