“ Dorothy, Martene, Bruce, and family,
Ray was such a special man. I tried to see him while he was in the hospital but he had restricted visitors. I just wanted to give him a hug and tell him what a wonderful person he was. I always looked for them when Al had a gig in the area--they were always there--and at church. Sending our thoughts and sympathy for your loss. We are out of town so will miss his memorial.

Fondly,
Al and Margaret

Dear Dorothy, Martene, Bruce and family,

Our words cannot remove the pain of your loss. Ray has always been such a wonderful person, so personable, so friendly and always interested in others and how their lives were going. Will will always remember his wonderful smile, mild and smooth personality and the great warm feeling he held for those around him. It was always a good time to sit and chat with Ray. What a wonderful life he enjoyed with Dot and family.

Our condolences to all your family.
