Hi Elissa , I'm not sure if u remember me cause it's been a long time since we seen each other but your dad and I were really good friends for a long time. I just wanted to say I'm so sorry for your loss sweetheart. He was so proud to be your dad. You're all he ever talked about. You'd be surprised at how many people know you just from how much he bragged about you. You dad was a great person. One of the greatest men I've ever known. -kristin
