I had just met Rebecca, when she started working at the farm about 3-4 weeks ago. We had some great heart to heart visits. She Loved her kids I do know 100%. Her personality was amazing times a million ! We became friends, quite immediately!! She was like a daughter to me. Her smile just radiated and could light up the room/barn. Very kind person, and ALWAYS willing to help out !! She truly had a kind heart !! She was liked and loved, by all who knew her around here. Extremely Hard Worker !! She will be greatly missed, by all of us here that knew her !! Rest in Peace Sweet Friend !! You totally were Someone Special to us !! Thoughts and prayers for her family and children ! Rebecca, You Were Enough !
