“ I just found out about Becky's passing and am devastated. We met at MSU and remained friends across many miles for 50 yrs. I stayed with her in 2015 when I went to my 50th high school reunion in Grand Rapids which is a treasured memory. My condolences to her family. I'd give anything if someone could contact me. 702-672-8157 to share what happened.

“ *BECKY was a very loved "Sparlingville family" friend. My Grandparents Orval & Helen owned the Phillips Feed & Hardware near her Nelson family Businesses. I adored her love of horses, and the way she took me under her wing with them! Very special lady...just like her parents Dan & Leone. They are now all reunited together! My deepest sympathy to her Brother Bob & families. P.S. Bob, I still have my grandpa Orval's deck of cards you gave me many years ago at the fellas cabin up north! A treasure!*

“ *I'm so very sorry to hear this news. We were neighbors of Becky's for 34 years before we moved away a few years ago, but kept in touch through Facebook. You couldn't ask for a better neighbor and friend. RIP Becky. 😭*
