“ I was so sad to hear of the tragic death of my friend. We had such great times growing up in Port Huron. I remember us getting our first job at J PA when we were only 13 years old. Gina and I we would ride our bikes to the Guadalupe Cntr every morning. She is an Angel in God's hands and will be forever missed. -Kimberly Hardy

“ *I am so heartbroken and disbelieved about our dear friend Regina Reyna.*
She was a very warm and fun lady. Not only to work with, but to talk to and to hang with. She came to mostly all the functions we had. And drove a long way just to be with us all!!
Regina, was very friendly and had very pleasant smiles.
When I met her, I hadn't known her that long, but, invited her to Chili's for an after work affair.....She came. She was a little quiet at first....She suddenly blended in with us. We had a great time. (The rest is history!!)
I remember when I was very ill, she called me to make sure I was o.k. and didn't need anything.
We shared a few conversations that only a true friend would share with one another.
We were just discussing plans for July 4th.
I, along with a few our friends are truly missing her already.
My thoughts and prayers are with her family at this time of bereavement.
Regina.....We love you. And you are truly missed. There is a hole in all of our hearts.<3 <3 <3

“ Regina was a wonderful person, I enjoyed having her on the cashier team at the Harper Woods Home Depot. She will truly be missed. Asking God to strengthen her son and family during this terrible time in life and rap his arms around them to help them adjust without her in their life. Weeping may endure for a night but joy come in the morning. May God bless and keep you. R.I.P Gina your now an angel. Charlene
