“ I met Regna in 2007 and she's always been very kind to me. I especially loved to see her with Dave and to see the love they had for one another. I remember watching Rocky with her while Dave worked and seeing the joy she'd get from eating pizza (very similar to me). Perhaps the best memories I have are from when she came to my house and was so excited picking out movies and playing the piano. I did not spend much time with her over the last few years, but I always thought of her fondly. She may have had trouble expressing herself, but I believe she really did appreciate all that John and Sandy did for her (as we all did). She lived a long and full life, but she will most certainly always be loved and missed.

“ Aunt Regina was always so helpful and took such good care of Grandma, and like Sarah, I remember her always offering something to eat. I just saw the post Sandy posted on my mom's obituary. Thank you for the kind words about mom. Grandma is with all of her children again. Uncle Godfrey just passed away on May 13, 2021. Please know the family does think about you often. Love, Linda
