“ This was my Father, I miss him terribly.. I will cherish the laughs,the smiles, and the cigars we shared at the pool side watching my daughter, Lilianna swim..

Dad, you we a tough guy who NEVER EVER QUIT! I loved that about you! You were a fighter, you instilled that in me and my brothers, it is part of our personality now .. I will take care of mom for you because I wear your same name and I know that's all you really wanted in life, is to make sure she is safe...

I will catch you on the other side mio padre
