“ Richard you're a great brother always in control of all of us. You always had to be the leader. Used to make me mad you were so smart you didn't even have to study I had to study my brains out. I'll never forget the last visit at my house with you you hug me so hard told me you love me. I wish you could have talked to me. I love you with all my heart brother you're with Mom and Bob now. Until we meet again I love you your sister Linda
