“ I was married to Dick from 1969 to 1972. I have many good memories of our years together. May he rest in peace.

Hi Marylin. This is his niece, Stacie. He spoke of you a few times. I remember my mother telling me about you, too. :-) I wasn't born until 1971; but still heard stories. 😊

“ When my brother was killed Dick was very kind to me and my brother's young children. He and I would bring them for visits to my home or take them to activities. He was also very kind to my daughters and he enjoyed hearing of their lives as they grew up and left home. I will miss his phone calls. Rest in peace good man. You fought the good fight. You have earned your rest. MaryMarg McGrail

Thank you for sharing this story. I am his niece; he was definitely a good guy. He was a fighter, and was fighting to the end. He had one hell of a zest for life.

“ *Requiescat in Pace* 🙏. We lived next door to the Bodleys when we were kids on Ontario St. I remember Dick was playing(learning!) the drums and his room was across from my great Uncle Ralph. Can't say what Uncle said but the “noise” was quite *Unite bothersome!* 😞. Dick was a buddy of my brother Dom and he frequented DoBoy Donut Shop when Dom worked there. Dick was a good friend.
Prayers and condolences to his family from the Graziadei family 🙏

I remember my Mom, Brigid Bodley... telling me stories about the Graziadei's. She passed away in May 2024 just before her brother, my Uncle Dick. We were the last of the family. Thank you for sharing.
