“ Hi Danielle and family: I am so sorry about your Dad and granadpa. I have so many memories over the years. I miss your Mom every day. She has helped me over the years with everything that I have experienced in my life. I went by the house one day and see you have been doing a lot of cleanup. I don't know how you did it. God Bless you all. I am here if you need anything. Love and kisses.
