“ *This truly breaks my heart. My favorite memory of you was us chasing down a damn turkey in the truck on the back roads while I was visiting because you swore we could get dinner. Or you calling me mumi. I love you and I will miss you terribly. Doesn't seem like this is even real.*

“ Uncle Rick I love you. You had a way with life that I appreciated seeing someone live. You lived free and happy. You didn't care what anyone thought. But still had respect for them and yourself. I smiled ear to ear every time I knew we got to visit you. It was never a dull moment. You are the reason I don't smoke cigarettes and I appreciate it lol you made me and Dustin smoke those big cigars from Ybor when Britt snitched lol. That was epic but you said " you wanna act like a man. You're gonna smoke like one " we jammed to rock and rap. You knew every slim shady song. Or 50 cent. Word for word. You taught me how to shoot. Hunt and play grand left auto. Sleep overs with my brother. Going to the gun range. Or fishing. I can go on for day's about you. You're in a better place and that makes me happy you're free. Tell grandma and grandpa hello for us. Love you and rest easy. - you're nephew Chad 💙

“ To a great brother-in-law and friend. Will always remember fishing and that great salmon stew that you made. The rides out in the country and all the times that we've shared together. I will miss you with all my heart. Let the music flow and sore high you will be truly missed.
Love Dusty.

“ *My dear brother I have no words. My heart is broken. I've sat looking at this Blake space wondering just what to say. I'm going to miss my visits to you on the lake and miss you coming to Florida to visit me and complaining the whole time how hot it is here. "Why do people live here? "Lol. Sitting and just listening to music together, or dinner is almost done we need to go look for wild asparagus. I love you big brother and I'm gonna miss you so much. RIP fly high. 💔💔💔*
