“ Rj was one of a kind for sure! He had a heart of gold. Was raised up right. He treated women with respect. I have lots of memories with Rj that i hold very dear to me. He always made me smile and laugh. I remember summer nights as a teenager when we dated, he would throw pebbles at my window and whistle real loud to get my attention. Then we would talk for hours. Whether it be in person or on the phone it was always long deep conversations, and i wont forget our notes back n forth to eachother. And math class he would always make these goofy faces at me making me laugh. The teacher actually turned his desk to the front of the room touching the chalkboard... He still found ways around that and really aggravated that teacher lol. Good times for sure! He will be missed dearly. Our most recent memory tho would have to be a tattoo idea i was actually getting drew up and done by him for my friend who passed in August 2016. He was all excited and wanted to do it. Rj i love ya! Rest in Paradise! Please watch over me and my family. And dont be afraid to make urself known ur still around. Xoxox until we meet again, My Good friend! Love Always, your JoJo.
