“ *What a shock, We will certainly miss his "gruff" ways and warm heart. Even though he didn't want anyone to see his soft side it was there. He would do anything in the world for you, but you better not tell anyone* ❤️

*Rest In Peace dear friend, now you can argue with Betty again and her her yell F**k you!!*

Guess that was the way you guys showed you really loved each other despite all the arguing you were always together.
