“ Barbara, and family, I am so sorry to hear of Dick passing. I graduated with him. I also took care of him when he had his accident. He was injured so serious & was unable to talk for a few days, I would come in when I got to work & go to his room to take care of him, I would say hi buddy how are you doing and he would wink at me for his answer. I enjoyed knowing him and will never forget him. Much love and our sincere sympathy to the entire family. Dick, I enjoyed your friendship during school, rest in piece now Buddy without the problems of life. Walk with God and catch up with your loved ones gone before you. See you later.
