“ *Absolutely the best father and grandfather anyone could ask for! One of the best memories I have of my dad came from sitting around the kitchen table every Sunday morning . He would cook breakfast on Sundays, let my mom sleep in , and entertain my sister and I with stories . Almost all of the stories he told were drawn from personal experiences that he himself had lived , or someone he knew had lived . Either way I remember being so enthralled , before I knew it lunch would be right around the corner! I will forever miss his stories , and I will forever miss him . I now know God has always loved me ... he let me borrow my Dad and I will be forever grateful for that.*
