“ I've only known your family a short while, but Lena is one of my favorite people at Innovative. One thing I realized about her, is she loves her daddy. And Florence, Sam, and Danny, you are all wonderful. My prayers for peace in your lives will last for as long as you need them. Hugs and kisses.

“ I have lots of memories of Uncle Rick. From way back when he lived with us on Union Street, to when he worked with me at Mapal. But the one thing I'll remember most is, he could always make me laugh.
