“ I am so sorry to hear about Richard's passing. I knew him and his sister when we were in elementary school and later when he worked at the local pizza place. Richard and his family will be in my thoughts and prayers.

“ I worked at Nona's with Richie for a short time. He was such a nice friend. I've thought fondly of him many times since those days in our youth. I hope he had a great life here on earth and forevermore in Heaven.

“ Rich was my very first friend. We met in 1969 at the age of 4, when my family and I moved to Sterling Heights on Roslyn. I remember when Rich road up on his bicycle and introduce himself. We had been friends ever since. We use to ride his mini bike a Honda 50, in the field down the street which is now 17 mile road, man did we think we we're cool.

I sure will miss you Rich!

God bless you and your family.
