“ Dick you and I go back a long way, 38 years to be exact Riverside metals 1983 is when we met. We've shared some good laughs over the time we've known one another. Six ft. as you joked to be called. Your journey in this lifer may be over, and sad are those who are left behind. The celebration, yes the celebration that is taking place for you now, the reunion, with all those who have gone before you. no harm, no illness, will ever effect you again, your life in eternity has begun. May you now hear the words "Enter Thou Into The Joy Of The Lord" May the stars shine a little brighter each night lighting your path to your heavenly home, until the time comes, as it will for all of us, we'll catch you on the other side my friend. May you now rest evermore in God's Grace, Peace, and Mercy.
