“ I am Richard's first cousin, Jean, daughter of Pearl Sharpe. Richard, Danny and I would play together for hours. I would go and stay with them for a week at a time. I had not had any contact with Richard or Danny for 40 years. I remember we would get in trouble for climbing grandma's cherry trees . Richard was such a sweet kid. Sorry I didn't keep in touch over the years, but we moved away and got busy with our lives. I don't know any of his family, but I am sorry to hear about my dear cousin.
