“ There are too many memories to list. He has been my brother for about 45 to 46 years. I remember Rick and Barb taking us kids camping with them one time. I remember going four wheeling with them. Climbing the cliff out at Hewitt's Pit. Riding in the old Model T. Riding in the T-bucket. Our family hanging out on Cruise night. A memory I will carry with me forever is that when Barb and Rick's daughter Tonya got married, we were at the dinner afterwards taking pictures and I told Rick, "I love you brother" and he told me "Thanks! I love you too sis".
