“ *Rita has been a part of my life for the last 55 years and I'm blessed to have known her. We lived around the block from each other, went to school together, caused trouble together and I was even with her when she met her husband Roman for the first time. Rita knew and told me so that she was gonna marry Roman after the first time they met. I love Rita and will miss her strength and kindness.*

“ Thankful to have had the guidance, support and love from this woman for 21 years. She was always right by my side in everything i did, emotionally (and physically when she could be) She was family to so many people, blood related or not. She was a warm & welcoming person who loved her life and everyone in it. It's going to be a much cloudier life without your sunshine. Love you always -Chickyd

“ Dear Roman,

Our hearts are broken knowing that our dearest friend is gone. Rita was loved by so many but none more than her family. Together you raised 3 smart, loving, self-sufficient young men. Rita was so proud of her family, loved her life and lived it to the fullest.

When the health issues given her would have defeated most, Rita persevered and carried on with her strong and positive attitude. You were a great husband, by her side always protecting and caring for her, she knew it and made sure that everyone else knew it too. Such a great couple.

I am so very sad that she had to leave all of us so soon. She left behind so many wonderful memories, we have always enjoyed her fun and silly persona. There will never be another like her. I am proud that I can say I was a part of her group of dear friends and will miss her always. We love you all so much.
