“ Bob was the best father any kids could ask for, he would go to work early so he could get out early just so he never missed any of their sporting events or science fairs. He always encouraged them and made sure he was always available for them. We had 4 children 3 boys and 1 girl . As for our daughter he was very protective, when she was a cheer leader in 7 & 8th grade they would cheer for their school when they played at other schools and he never wanted her to ride the bus back to the school with the other cheer leader's because of all the boys on the team were on the bus. I would tell him to chill out and let her go that the other cheer leaders and their trainer, a teacher and the coach would also be on the bus. So there we'd go following the bus to the school. I still can't believe he's passed though after being very sick for about 4 years I know he's in a better place in Heaven with no more pain and watching down on his family. There's not a day goes by that I don't fill his Presence around me. The only thing Bob Loved as much as his family was his two dog's Spike a Chihuahua and Ragsy a maltese they layed on the couch with him all the time and if he got up they would follow him every where especially once he got sick they were right by his side like they knew how he was filling.. (WE LOVED YOU WHEN YOU WERE WITH US, WE LOVE YOU NOW THAT YOUR IN HEAVEN, AND WE WILL ALWAYS LOVE YOU !) We'll all be together in Heaven Someday until then watch over our family, we Miss you and we Love you. 😊

“ I am Karen's roommate, we had bird feeders outside our window there was a baby black squirrel that use to come and eat all of our bird food so Bob went to the store and bought peanuts for that little baby squirrel just because it was hungry. I didn't know him long but long enough to know what a big heart he had anyone that would come out in this bitter cold to feed a wild squirrel has to be an amazing loving person. RIP Bob, I will never forget you and how kind you were to that little squirrel and to me thank you for the broom and all of the candy.

“ I am so sorry for the loss of such a kind and caring sole. Give Bob a fig newton or a brownie and he was happy. We can all learn what true strength is from this beautiful family. We met Bob and Karen through our son-in-law Ryan, we are very fortunate to share what Bob and Karen are so proud of, their children, in our life. The true caring nature is apparent in Bob and Karen's brothers & sisters also. We send our deepest sympathy and love. Kati and Charlie Stiver
