“ Dad absolutely loved nature! Fishing, camping, nature trails, etc. We have so many memories as kids and adults...running down the huge rollways sand hills in Oscoda, visiting Lumberman’s Monument, camping in the thumb (going to “The Dam store) and exploring the beautiful waterfalls and caves in Kentucky. Dad was truly a kind, compassionate soul...he wanted to help everyone and he loved animals! He would walk along the Lake trail to enjoy the turtles and other wildlife he saw along the way...he ended up having 3 turtles at home when he passed. He loved his family deeply. His Children, Grandchildren and Great-Granddaughter were is life!! I loved watching his face light up when he saw his Great-Granddaughter. He was very proud of all his children and grandchildren. This loss is devastating to all of us. We will miss him tremendously!! Rest In Paradise Dad...you have finished your mission here on earth. Forever...Daddy’s Little Girl 💕
