“ Sharon and Michelle, My thoughts and prayers are with you both. I NEVER expected to get on FB and see this NEVER. We have not seen each other in 47 years , but that does not mean you have not been in my thoughts !!!!! We met at MI Bell in 1963 and became fast friends, I remember your wedding like it was yesterday and all the good times we (as couples) had together on picnics and playing cards.

We were planning on going to see a friend at the Village of East Harbor and were going to look you up. That is the most shocking news EVER. HUGS and THOUGHTS
