You both have been such good friends to Lowell and me. Bob helped with our truck on a few occasions and when we had a leak in our 5th wheel. Always willing to help out. He helped with my daughter and her husband's purchase of a new Ford truck and saved them a lot of money. He loved the fish frys, blackberry pie and blackberry jelly. We are going to miss him so much.

Karen, my heart goes out to you and your family. I first met Bob (and Karen) through Pulmonary Rehab. many years ago, which developed into a friendship. He had a magical way of bringing laughter every time he walked into the room. Bob worked hard to stay healthy, with Karen behind him supporting him any way she could. May God Bless you and Comfort you.
