

## Robert R. Edie

October 4, 1945 - May 5, 2026

Robert R. "Bob" Edie, age 80, of Fort Gratiot Twp., passed away peacefully on May 5, 2026, with his beloved family by his side. He was born on October 4, 1945, in Port Huron to the late Byron and Wilma Edie.

My dad loved his family deeply, especially his grandchildren and great-grandchild, who truly held his heart. He loved teaching others anything they wanted to learn, whether it was about repairs, cars, or simply how to fix things with patience and care.

He enjoyed many years of attending car shows and proudly showing off his amazing 1965 Oldsmobile 442. Through his passion for muscle cars, he built countless friendships with people who shared the same love and appreciation for classic cars, being a proud member of the United Street Machine Association, he formed some of his most cherished lifelong friendships.

He is survived by his son, Robert (Kristina) Edie, his daughter, Stacy Edie, and grandchildren.

He was preceded in death by his parents, brothers, Richard and Harold, His cherished wife Connie, and Sonja who brought such joy to his life.

He was deeply loved and will be remembered by so many for his kindness, generosity, and the way he made people feel welcome wherever he went.

A celebration of life will be held at a later date.

“ Uncle Bob was pretty darn amazing ❤️ he was a softy like my dad, but full of silly jokes 😊 well again, just like papa. I'm going to miss him because being around him reminds me of my dad so much. Every hug was full of warmth and love. Rest easy Uncle Bob ❤️ we will see each other again 🙏

“ We downriver Edie's (the late Uncle Lyle and Aunt AltaBelle, cousins Kerry, Rodney and Sheila) mourn the loss of our cousin, Bob. It may sound ancient, but way back when we were kids, we were play pals in our country neighborhood. Walk a mile east or west and we were in each others acreage. Grandpa sure had a bunch of land! Our cousins were our best buds until we moved downriver where “Pop”/ Lyle supervised the new River Rouge Detroit Edison plant. We all miss Fort Gratiot Twp. And our country roots. It must run in the family, cuz, Kerry, Sheila and I all have classic cars! Rest in Peace, Bobby! Rod

“ So sorry to hear of Bob's passing. Such a kind person who adored his family. Worked with him for many years; it became a ritual to go to the break room for coffee or to the store across the street for lottery tickets. Did not win anything except a lasting friendship. Miss him dearly.

“ I am sorry to hear of the passing of my cousin, Bob. When I was a kid, we spent a fair amount of time at "The Woods". When I was in high school, I would visit with Bob and we would go places in his 442. I enjoyed that. I miss those days and will miss him.
