“ So sorry to hear of Bob's passing. Such a kind person who adored his family. Worked with him for many years; it became a ritual to go to the break room for coffee or to the store across the street for lottery tickets. Did not win anything except a lasting friendship. Miss him dearly.

“ I am sorry to hear of the passing of my cousin, Bob. When I was a kid, we spent a fair amount of time at "The Woods". When I was in high school, I would visit with Bob and we would go places in his 442. I enjoyed that. I miss those days and will miss him.
