“ Robbie was my best friend in this entire world. He was pure sunshine in human form. It would be almost impossible to be unhappy in his presence. That's how positive and calm his demeanor was. The first time I ever got Drunk at our parents house... Robbie carried me to bed, put a garbage can next to me and tucked me in. He sat next to me until I fell asleep and then made me breakfast in the morning. He was that caring. He will never be forgotten, it's hard to forget a superhero.
