“ Your dad touched many lives-including mine. I'm grateful I got the chance to know him and go out to lunch with you (Amy) and "Hawk". He's up in heaven now, with Al, drinking beer and playing pull tabs. God bless!

Thank you so much for the memories. I'm so sorry we forgot to mention the old Geezers club in the obituary. He always looked forward to your rides. He belonged to so many fun groups. We had a hard time remembering them all. He was a very busy man. ❤️
