You, me or nobody is going to hit as hard as life. But it isn't about how hard you hit, its about how hard you can get hit

That's how winning is done"

“ I remember Bobby coming to our Primary school in Crosby, Liverpool U.K. ; he was 9 or 10 years old and it was strange to have an American among us. He was much bigger than us and this stood him good stead to play in goal for the school team. I remember him being a nice lad. R.I.P
