“ Penny and Family:

I worked with Bob beginning on the first day I began my career at Roncelli, Inc. at what we call Roncelli North (The Ford Romeo Engine Plant). To this day he is one of my favorite fellow employees. He taught me a lot, he was extremely knowledgeable, patient and a true gentleman. I loved hearing the stories of his life and he passed on the name of many good books for me to read. He also showed a lot of compassion to the people he worked with giving extra time and attention to those who needed it. And know that he loved his family and friends.

He will be missed by all who knew him. My condolences, thoughts and prayers to all of you.
