“ Bobby was the funniest guy I ever knew. A sweet, lovable man. We did everything together in the 60s and 70s and he was the best man at my wedding in 1968 and he became my brother-in-law. Our lives took different directions and our communication came through Facebook. I am very sad he is gone and send condolences to his family. I know how much he loved Susie and his children and grandchildren.
You will be dearly missed, Bobby .
With love, Janie
