“ I remember bringing Isaac home from the hospital and stopping at mom and dads house first. I remember uncle Bob holding him with love in his eyes saying that love is warm, that he paused and said wet! His first time holding Isaac and he got Peed on and he didn't care because he loved him anyway. I have so many memories from my entire life that are too many to name...He has known me since before I was born and my heart hurts because he will be missed! But I am glad that he's no longer in pain. 💔💔💔

“ Mary, I remember the first time I met you and Bob at our lake in the Whiteshell. You both felt like family right from the beginning and still do. I am so sorry for your loss and wish I was there to give you all a big hug. Sending you love, Carol and Doug Dillon.

“ It was one of many wonderful family Christmases were we had exchanged names and Bob got my name. Being newly divotced I had requested simple tools for around the house. But I loved doing crafts as well so Bob gave me my first CRAFTSMAN tool. Which was a CRAFTSMAN HOT GLUE GUN. I loved that tool.If I couldnt fix isomething I just glued it.

“ Many prayers and healing light to the family. I absolutely loved when Bob & Mary came to events. We always had so much fun. Going alllll the way back to the Art &Jakes Days. Bob was always so happy & great energy to be around. These 2 pic were some fun nights. Pretty sure Mary it was one when you ripped the door off Knapps donuts entrance. ❤️ Smiles thinking of the fun times. May he find peace and happiness in heaven. Another angel looking over us every day.

“ *My husband Jeff and I loved to play cards with both Mary and Bob! We remember a night when we had the whole Art and Jakes crew at our house on Eldon street. We played cards and had so many laughs. Our crazy parrot, Hook, decided to leave her cage and perch just over everyone’s shoulders. And proceeded to try to grab everyone’s cards!!! Bob laughed his butt off, because who lets a Parrot play poker?? I remember everyone laughing. Bob was such a good guy and a pleasure to be around. Always smiling, always happy. We will miss you our friend. We love you. Prayers and hugs,
