“ My buddy Bobby!!! I miss you so much!! I can't help but grin when I think of the days when your mom asked Bim to catch a nap on her couch and you were supposed to be watching cartoons while I dozed in and out. But I would jump off the couch when your mom walked in asking why didn't I take you to school. I then realize you shut off the alarm clock and had pencils and crayons sticking out of my nose cuz u liked seeing them shake when I snored. I will hold you in my heart forever. The karate, Star Wars ships and our special trip to Cedarpoint with cousin Steve. Oh the hundreds we went through!!!!!!! But it was Bims and Bobby trip!!!!!!!!!!!!

“ Bobby, we had special memories of the trip to Petosky and the cottage. You and Joey getting swept away in the rowboat and being rescued by my neighbor. It was scary and funny after awhile. That was a special summer over 35 years ago. I wish we could have re-connected sooner than a few years ago. Rest in peace. Love Becky

“ Robert, your smile, your laugh, your kindness and big heart will truly be missed. I am blessed to have so many good memories of my wonderful nephew. You were loved by all of your family. I have so many funny memories of you starting when you were just a baby. I remember you sitting in your highchair and had finished eating you would say "I want down" so fast and so many times that your mom and I would bust up laughing. You were always everything to your mom. You were the light of her life. You became a wonderful young man, married and brought 3 beautiful children into this world. What a legacy. I hope you are proud of your accomplishments in life as we are of you. Until we see each other again, Rest in Peace my dear Nephew .Love your Uncle Tim

“ Rob,

*How do I put into words the grieve I feel for your loss and for our kids. 22 years together and our three beautiful babies we had together. I will remember the wonderful times when our little family was perfect. That's how I saw us, a perfect little family. I was thrilled being a momma and your wife. Life does not always stay the same, sadly, but I will remember when it was just that, perfect. We have felt you around us, and thank you for the comfort you have given us, you can rest in peace, I know you have struggled and I am so sorry. You use to say you could actually see the love in my eyes when I looked at you, and I knew it was true. I adored you, your love and how you made me laugh and loved me and our children. Debbie my deepest condolences to you, he loved you very much. Rest in peace Rob, knowing you were loved very much.
Love, Chrissy*

No one in their right Mind would say anything Negative about Bobby. Especially that Bobby's Family could see.
Judge Not Ye not be Judged.

Bobby helped many People, Friends & Family. He was so funny, Creative n a little Stinker. But; I Loved n Adored Bobby since I met him when he was 2-1/2 yrs old. He ALWAYS respected Me, ALWAYS called Me Aunt Cyndi. And Bobby...Aunt Cyndis Never going too forget you. Until we meet again. Honey. ❤️❤️❤️❤️❤️

“ I have so many memories and little stories. We had so much fun. He always left an impression. He had the greatest laugh and a smile that would touch his eyes. You could tell there was always a little mischief on his mind. He had mad love for his friends. I know he is happy to be reunited with Joe and Barry. He loved his mom so much, he told me how proud he was of her strength and her generous nature. If he hurt you, he would try to make it right, and if he couldn't he would carry it with him. I feel so blessed that I got to be in his life and that he was in mine. It doesnt feel real that he is gone.

He loved his friends (here and also gone) and he loved his family. I'm going to miss our late night chats. I'm going to miss you. Prayers to his family and friends; may you find peace.*
