“ RIP Bob. I sincerely hope your family is aware of your enormous popularity in the Ford High Performance engine forums around the world. Many of us possess your signature on the hand built engines you assembled. You are a real hero in this community too. Your family should be extremely proud of one more accomplishment you left us.

“ Bob and I only met on the Pickleball courts, where he became a desirable teammate because he picked the game up quickly and easily! Proud to have played with him! The little I knew of him, I liked very much! He was a very soft and gentle person - traits that I could use more of. So enjoyed playing with him!

“ I am so sorry to hear about Bob's passing. He was a long-time neighbor of my family and was always lending a helping hand to my parents (Frank and Mary). Bob would often walk across the street to visit with my parents. After my mom passed away in 2015 he continued his visits with my father and I hope he knew just how special those visits were. It was the highlight of my dad's day.

“ *Uncle Bob was just always so kind and patient. While he could be quiet, he always made sure I was involved in fun activities going on around us. And of course he always was quick to joke around and just put a smile on your face. He will truly be missed not only by friends and family, but also the great impact he had in the community.*

“ *Bob and I were in the volunteer training for Spero in 2004! He humbly mentored the men and assisted where ever he could on a weekly basis. He is a gentle, kind, wise man we all looked to for spiritual and life wisdom. He was an inspiration in his following Jesus as Savior. I mourn his loss as a friend and co-laborer in Christ.*

“ *It was a privilege and blessing to serve at Spero Pregnancy Center alongside Bob for nearly twenty years. His passion to see others come to know Jesus Christ and his heart to challenge & encourage young men to be the committed fathers that God created them to be was abundantly evident. He will be missed.*

My prayers 🙏🙏 are with Teri. He was very special man. He had been married to my sister Sally. They had 10 children. Tragically she died in a car accident in 1995. He raised the 7 remaining children. He met Teri quite few years later. They got married in 2002. I live in California, so I didn't get to meet Terri, until 2014. I could see how 😊 they were. I know Bob has gone to heaven, with our Lord! I

🙏🙏 God will watch over Teri, as well as all of his children, grandchildren, great grandchildren siblings, nieces, nephews, ect. Until we meet again brother. You will be missed by all who knew you. ☐
