“ Steve Morris came into my life in May of 1978 as an apprentice Mill Carpenter at R&D Thiel. Together we operated a 30 ft. component saw. Eventually we both moved on to other positions and jobs. Throughout the years we kept in touch and enjoyed our visits in FL, MI, or IL. My family and I have been blessed to have Steve as a friend.

“ It is so sad our dear dependable friend, Steve, left us so suddenly. I am thankful for his friendship. Over the years we shared many great times and memorable adventures. Steve was very appreciative of a home cooked meal (sorry no Twinkies). I will miss Steve, but know he is in his heavenly home.
