“ *I graduated with Bob in the 1956 class and consider myself fortunate to have known him for so many years. He was an all around good guy and our class will miss him.*

“ *Bob, you will be missed dearly. I so remember going to U of M and doing tailgating for the games. I know how much that meant to you and talking about BO Shembecler ! I also Remember camping with you and you cooking breakfast for all of us. You were such a grand father in law to me. When Susan and I married I still remember all the balloons that you put in the back of our truck. I will miss you sir and rest in peace. See you in heaven God bless.*

“ My mom and I have been blessed several years back to have met Bob Parker and his wife Barb through Brodey and also living only blocks apart.
Bob was so kind and conversational and brought Brodey to the 2nd service at my church.
Barb joined them at McDonald's on Sundays as all three of them had a lunch after services and we always looked forward to talking to them as we usually went there to meet friends too.
We always had some good laughs, & talked about the Tigers or U. Of MI. football, or where they had traveled to lately.
We will miss that threesome on Sunday, but remember Bob's laughter, smiles and kindness to us.
Our deepest sympathy to Barb, their children, grandchildren, and other extended family members and those who loved Bob. May God bring them peace and comfort and the knowledge that they that trust in the Lord will be present with the Lord in His eternal home.
Sincerely, Pearl and Laurene Swanson.

You know what life is, you cherish it... you enjoy those you love, even while arguing, mad, confused, wondering... what is my sister, mom, dad... whoever... is thinking. But, when push comes to shove, these people are family and without them life gets dark.... Dad, you were a bright light in my life, as the rest of my family... now that light has dimmed. But, know, Dad, the light you have given me will NEVER go out. I will always love you.
