“ *I first met Bob about 1982
We noth worked for Browning home improvement.
That started a long lasting friendship.
In recent times we talked sometimes for 2 hours on the phone.
He always seemed as cheerful as ever.
He was a great teacher when it came construction.
I owe him a huge Amount of credit for the Knowledge he shared
with me.
He will be remembered and missed greatly.
My condolences to the family.*

“ *Sending our deepest condolences 🙏 Bob was a great neighbor! We bought the house next door to him almost 6 years ago! It was a pleasure being his neighbor! I loved that he would just sit on the porch with the grandkids and enjoy the day. He was one of the nicest people I have ever met! He will be missed! Sending prayers for the whole family! Rest In Peace Bob!*
