“ *Bob was the most wonderful man. Words could never express my love and thanks to him. He was a wonderful male role model to me, he showed me how a man should love his family, protect his family, and provide for his family. He truly loved My mother the way she deserved to be loved, and us kids. Mom would say all the time, "Please come home on time because Bob can not get to sleep till he knows all you kids are safe and home.". And that was the truth, he always had to make sure his family was safe. I'm so grateful for the time I have had with him. I love you Bob you are always in my heart!*

“ *Bob was an amazing man! He would do anything for anybody. Everyone was his friend even if he just met you. He loved with all his heart. My family has so many memories of the times we've shared with him. We will miss his smile and his quirky little sayings. Most of all we will miss his easygoing spirit. He loved life to the fullest and we were proud to consider him part of our family. His kindness and generosity will never be forgotten.*
